Blame it on the sheep.

Cain Asbell was an unremarkable guy until one of his stray sheep led him into a cave with a trapped fairy named Elise. In a blink of an eye Cain goes from pauper to lord when Elise helps him rescue the Princess Charlotte. There's just one hitch. Cain has to make his land the most prosperous in the country within 5 years. Should he fail, he'll lose everything and return to being another lowly shepherd. But if he manages to succeed, Cain will gain the Princess Charlotte's hand in marriage! Sounds easy? Not if everyone in your kingdom is out to take advantage of your young age. Between slavers and bandits it's amazing Cain's still alive. But being a lord isn't all bad - he has the right to choose any woman he wants to go to bed with him...

While Cain is busy acquainting himself with the pleasures of becoming a lord and learning to rule fairly, his competitors are already stirring against him.
